In certain circumstances, our Service Provider may either advance funds drawn on their corporate account or via an electronic debit, and in such circumstances will attempt to debit the Eligible Transaction Account a second time to complete the Payment Instruction. In some instances, you will receive a return notice from us or our Service Provider. In each such case, you agree that:

The aforesaid amounts will be charged in addition to any nonsufficient funds (NSF) charges that may be assessed by us, as set forth in your fee schedule or your Other SNB Agreement. If, at our discretion, we determine there are sufficient funds or credit, as applicable, we will process the transfer. If we determine there are not sufficient funds (or available credit) on that date, we will either make the transfer or payment, thereby creating an overdraft if the source Account is a checking account (or causing your Account to go over the credit limit if the source Account is a credit Account), or we may refuse to make the transfer. Our decision to make or refuse to make the transfer will end our processing of the transfer. In either event, you are responsible (i) for any special handling charges or over limit fees we may impose, and (ii) to repay any overdraft or amounts over your credit limit, as stated in the applicable Deposit Agreement or Credit Agreement.

These charges have been disclosed to you in the applicable Deposit Agreements and/or Credit Agreements. Transfers or payments made other than on a Business Day, and after the stated cut-off time will be processed on the next Business Day. To delete or cancel a scheduled Internal Transfer, you must transmit your request before 6:00 p.m. CT on the day before the transfer is scheduled to be processed. XIV. MOBILE DEPOSIT SERVICE

1. **Generally.** You may use the SNB mobile deposit capture service ("Mobile Deposit Service") to make deposits to your checking accounts through the SNB Mobile App on your Mobile Device to scan and transmit images of checks to us or our processor.
2. **Service Eligibility.** To be eligible to use and continue to use the Mobile Deposit Service, you must be designated as the owner or authorized signor of the Account, the Account must be in good standing at all times, and you and the Account must meet our current eligibility criteria. We reserve the right to establish limits on the amount and frequency of deposits you can make through the Mobile Deposit Service, and if one or more of your deposits exceed those limits, the deposit(s) will not be processed. If we permit you to make a deposit in excess of these limits, that deposit will still be subject to the terms of this Agreement, and we will not be obligated to allow such a deposit at other times.
3. **Service Requirements and Limitations.** To use the Mobile Deposit Service, you need the SNB Mobile App and a supported Mobile Device. You must comply with all system requirements and security procedures described in this Agreement, and if you fail to comply with those requirements, you may be unable to complete a deposit. We reserve the right to change the requirements to use and access the Mobile Deposit Service at any time without notice, including imposing additional requirements to maintain the appropriate level of security for the Mobile Deposit Service. We are not responsible for any loss, damage, or issues you encounter when you use the Mobile Deposit Service.
4. **Eligible and Ineligible Items.** You agree to scan and deposit only "checks" as that term is defined in Regulation CC of the Federal Reserve Board ("Regulation CC"). You also agree that the image of the check transmitted to us will be deemed an "item" within the meaning of Articles 3 and 4 of the Nebraska Uniform Commercial Code. In order for us to accept and process your deposit, it must:
 - Be an original paper check payable to and endorsed by you;
 - Be payable in U.S. dollars at a financial institution in the U.S.;
 - Be dated within six (6) months prior to deposit date;
 - Have all fields completed; and
 - Be legible and in good condition.

You agree that you will not deposit any of the following ineligible items, which are checks that:

- Are payable to someone other than you (e.g., a third-party check);
 - Have been altered in any way, are illegible, incomplete, damaged, marked non-negotiable, are fraudulent or otherwise not authorized;
 - Are payable to you jointly with one or more other persons;
 - Were previously converted to a "substitute check," as defined in Regulation CC;
 - Are drawn on a financial institution located outside the U.S.;
 - Are "remotely created checks," as defined in Regulation CC;
 - Are not payable in United States currency or that are drawn on an institution outside the United States;
 - Are dated more than six (6) months prior to the date of deposit;
 - Are postdated;
 - Are prohibited by our current Service procedures or otherwise not acceptable under the Deposit Agreement;
 - Are payable on sight or payable through drafts, as defined in Regulation CC;
 - Have an endorsement on the back other than as specified in this Agreement;
 - Are drawn or issued by the U.S. Treasury Department;
 - Have been previously deposited with us or any other financial institution, including checks that have been returned unpaid (other than checks returned unpaid because the image quality is insufficient for the Mobile Deposit Service);
 - Are traveler's checks;
 - Are savings bonds
 - Are money orders; or
 - Are postal orders.
5. **Endorsements.** You must endorse each check transmitted through the Mobile Deposit Service with the endorsement "For Mobile Deposit Only to SNB" or any other endorsement that we require.
 6. **Creation and Transmission of Check Images.** Using a supported Mobile Device, you will create an electronic image of the front and back of a check endorsed as required above and transmit the images and associated deposit information, including information captured from the magnetic ink character recognition ("MICR") line, to us or our designated processor for our review and processing. The images of an item transmitted to us using the Mobile Deposit Service must be legible, as determined in our sole discretion. Without limiting the foregoing, the image quality of the items must comply with the requirements established from time to time by us, ANSI, the Board of Governors of the Federal Reserve Board, or any other regulatory agency, clearinghouse, or association. By using the Mobile Deposit Service, you accept the risk that an item may be intercepted or misdirected during transmission. We bear no liability to you or others for any such intercepted or misdirected items or information disclosed through such errors. Once you transmit images using the Mobile Deposit Service, you will receive a notice on your Mobile Device acknowledging transmission of the images ("Transmission Notice"). The Transmission Notice does not mean that the transmission was error free, that the images were received by us or our processor, or that the check is eligible for processing, is considered a deposit, or has been credited to your Account. The Transmission Notice only means that the image has been sent to us or our processor by your Mobile Device.
 7. **Prohibition on Duplicate Deposits.** Once you transmit an image of a check for deposit, you agree you will not try to deposit that check again through the Mobile Deposit Service or otherwise deposit it or present it for payment with us or any other financial institution or person, unless we send you a notice saying that your deposit cannot be processed through the Mobile Deposit Service, as described in the paragraph titled "Review of Items" below.
 8. **Receipt of Items.** Checks and items you submit through the Mobile Deposit Service will be deemed "received" by us for deposit based on the time of receipt as well as receipt of an image that is complete, is usable, and meets all of the other requirements for remote deposits contained in this Section, including without limitation the standards described in Article XIV, Section 4 (Eligible and Ineligible Items). A check that we receive by 6:00 p.m. CT on a Business Day will be deemed to have been received on that Business Day. If we receive the deposit after that time or on a day that is not a Business Day, the deposit will be deemed to have been received by us on the next Business Day. We are not responsible for items we do not receive, such as an image that is dropped during transmission.
 9. **Review of Items.** All checks and items submitted through the Mobile Deposit Service are subject to our verification and final inspection process. We reserve the right to reject any check or item transmitted through the Mobile Deposit Service, at our sole discretion, without liability to you. If the check is eligible for processing in accordance with this Agreement, we will present the check, either in electronic form or as a substitute check, directly or indirectly to the bank the paper check was drawn upon or payable through, or we will present or post the check if we are the paying bank. The manner in which any item transmitted through the Mobile Deposit Service is cleared, presented for payment, and collected shall be in our sole discretion, subject to the terms of the Deposit Agreement governing your Account. If we are not able to accept your deposit for any reason, such as the image is blurry, we cannot read the MICR line, or your deposit is not eligible, we will send a notice that your deposit could not be processed through the Mobile Deposit Service. If the check is eligible for processing in accordance with this Agreement but there is a discrepancy

between the check and the information that you submitted regarding the check, we have the right to process the check in accordance with the information on the check and to make such adjustments to your Account as necessary to correct the discrepancy. We will provide you with notice of any such adjustment.

10. **Availability of Funds.** Funds deposited using the Mobile Deposit Service will be made available to you in accordance with the funds availability policy in your Deposit Agreement.
11. **Status Information Provided by the SNB Mobile App.** After you transmit images using the Mobile Deposit Service, you will be able to obtain information about the status of your deposit using the SNB Mobile App. This information is for your convenience only and is subject to change. For example, if a deposit that the SNB Mobile App identifies as approved is subsequently discovered to involve an ineligible item, we have the right to withdraw our approval and notify you that your deposit cannot be processed through the Mobile Deposit Service.
12. **Disposal of Transmitted Items.** You agree to retain each check that you transmit using the Mobile Deposit Service for at least sixty (60) calendar days from the date of the image transmission. After that 60-day period, you agree to destroy the check unless we notify you that your deposit of that check could not be processed through the Mobile Deposit Service. You agree that you will take all necessary efforts to safeguard any checks until they are destroyed. During the time the retained check is available, you agree to provide it to us within one (1) Business Day following receipt of our request. If we send you a notice that your deposit could not be processed through the Mobile Deposit Service, you may visit any of our branches for further information about to deposit the check.
13. **Errors.** You agree to notify us of any suspected errors regarding items deposited through the Mobile Deposit Service right away, and in no event later than thirty (30) days after your account statement is sent to you. Unless you notify us within the 30-day period, the account statement regarding all deposits made through the Mobile Deposit Service shall be deemed correct, and you are prohibited from bringing a claim against us for such alleged error.
14. **Chargebacks.** If a check deposited through the Mobile Deposit Service credited to your account is subsequently returned to us or is subsequently determined not to be an eligible item, we have the right to charge back that check to your account at any time. You agree that we are not liable for any loss, costs, or fees you may incur as a result of our chargeback of a returned or ineligible item.
15. **Terms.** You acknowledge and agree that the terms "check" and "item" in the Deposit Agreement include the images you make for deposit through the Mobile Deposit Service.
16. **Your Promises and Indemnification.** You promise us that:
 - You will not transmit any ineligible items.
 - You will not transmit duplicate items.
 - You will not transmit any item if you are aware of any facts or circumstances that may impair the collectability of that item.
 - The digital image of any check you transmit to us is a true and correct image of the original paper check and has not been altered in any manner by you or any third party acting on your behalf.
 - You have reviewed and confirmed that the image captured is identical in all respects to the original paper check and that the amount of the check captured is accurate.
 - You will not re-deposit or re-present the original item.
 - All information you provide to us is accurate and true.
 - You will comply with this Agreement and all applicable rules, laws, and regulations in using the Mobile Deposit Service.
 - You agree to indemnify, defend, and hold us harmless from any loss resulting from your breach of these promises, including any loss or costs we incur as a result of accepting and processing a check or item you submit to us through the Mobile Deposit Service. Your indemnification in this paragraph is in addition to, and does not replace, your general indemnification of us in this Agreement.
17. **Cooperation with Investigations.** You agree to cooperate with us in the investigation of unusual transactions or poor-quality transmissions, and in the resolution of claims related to items transmitted through the Mobile Deposit Service, including providing, upon request and without cost to us, any originals or copies of items deposited through the Mobile Deposit Service in your possession and your records relating to such items and transmissions.
18. **Change, Suspension or Discontinuance of Service.** We reserve the right to change, suspend, or discontinue the Mobile Deposit Service, in whole or in part, or to terminate your use of the Mobile Deposit Service, in whole or in part, immediately and at any time without notice to you. We reserve the right, in our sole discretion, to add features, eliminate features, or modify features of the Mobile Deposit Service from time to time. Any change will apply upon the effective date of the change, and will apply to your future use of the Mobile Deposit Service, and your continued use of the Mobile Deposit Service will indicate your acceptance of any changes to the Mobile Deposit Service.

XV. FINANCIAL TOOLS

The Financial Tools is a personal finance management tool that allows you to conveniently consolidate, organize, and track your financial information in one place. In addition to your SNB Accounts, you can also add accounts from other financial institutions that the Financial Tools provides links to, authorizing us to access and retrieve information from those accounts to provide a more complete financial picture. The Financial Tools also provides automated spending and cashflow insights and budgeting and debt management tools. You agree that, in order to provide the Financial Tools, we and/or our Service Providers must access third-party websites and databases to retrieve your information maintained by third parties with which you have customer relationships, maintain accounts, or engage in financial transactions.
2. **Provide Accurate Information.** You agree that all information you provide to us in connection with the Financial Tools is accurate, current, and complete. You agree not to misrepresent your identity or account information. You agree to keep account information secure, up to date and accurate. You represent that you are a legal owner, or an authorized user, of the accounts at third-party sites that you include or access through the Financial Tools, and that you have the authority to (i) designate us and our Service Providers as your agent, (ii) use the Financial Tools, and (iii) give us and our Service Providers the passwords, usernames, and all other information you provide. We do not review your information for accuracy, legality, or non-infringement.
3. **Content You Provide; Use of Your Personal Information and Data.** Your initial use of the Financial Tools, including without limitation setting up links to your third-party accounts in the Financial Tools, is your authorization for us or our Service Providers, as your agent, to access your designated third-party sites in order to retrieve information on a continuing basis. You are licensing to us and our Service Providers any information, data, passwords, usernames, PINS, personally identifiable information, or other content you provide through the Financial Tools. You agree we may use and maintain your data separately and with that of other users of the Financial Tools and/or other services provided by us. use, change, display, or distribute such information or create new content using your personal information and data.

4. **Authority to Access Information.** You grant us and our Service Providers the continuing right to access information at third-party sites on your behalf. Third-party sites shall be entitled to rely on the authorizations granted by you or through your account. For all relevant purposes, you grant us and our Service Providers the right to access third-party sites to retrieve information and use such information as described in this Agreement with the full power and authority to do and perform each and every act and thing required and necessary to be done in connection with such activities, as fully to all intents and purposes as you might or could do in person. You understand and agree that the Financial Tools is not sponsored or endorsed by any third-party site. For purposes of this Agreement and solely to provide the Financial Tools, you grant us and our Service Providers a limited power of attorney, and appoint us and our Service Providers as your attorney-in-fact and agent, to access third-party websites, retrieve and use your information with the full power and authority to do and perform each thing necessary in connection with such activities, as you could do on your own behalf. YOU ACKNOWLEDGE AND AGREE THAT WHEN WE OR OUR SERVICE PROVIDERS ACCESS AND RETRIEVE INFORMATION FROM THIRD-PARTY SITES, WE/THEY ARE ACTING AT YOUR REQUEST AND WITH YOUR PERMISSION AND AUTHORIZATION, AND NOT ON BEHALF OF THEMSELVES OR THE THIRD-PARTY SITES.
5. **Privacy and Security.** Our Service Providers will have access to the authentication credentials that you provide for accessing third-party accounts and will use them to obtain your account information only. Our Service Providers are subject to confidentiality and security requirements. Neither your third-party authentication credentials nor your third-party full account numbers will be made available to SNB or visible to SNB employees. We will use, maintain, and protect any other personal information, including your account information, that is made available through the Financial Tools in accordance with our Privacy Policy.
6. **Third-Party Accounts.** With respect to any third-party sites we may enable you to access through the Financial Tools or any non-SNB accounts you include in Financial Tools, you agree to the following:
 - You are responsible for all fees charged by the third party in connection with any non-SNB accounts and transactions. You agree to comply with the terms and conditions of those accounts and agree that this Agreement does not amend any of those terms and conditions. If you have a dispute or question about any transaction on a non-SNB account, you agree to direct these to the account provider.
 - Any links to third party sites that we may provide are for your convenience only, and we and our Service Providers do not sponsor or endorse those sites. Any third-party services, which you may be able to access through the Financial Tools, are services of the listed institutions. The third-party sites you select are solely responsible for their services to you. Neither we nor our Service Providers are liable for any damages or costs of any type arising out of or in any way connected with your use of the services of those third parties.
 - We are not responsible for the accuracy of account information received from third-party websites. We may not be able to foresee or anticipate technical or other difficulties that may result in failure to obtain data or loss of data, personalization settings or other service interruptions. Further, we are not responsible for the timeliness, completeness, accuracy, deletion, non-delivery, or failure to store any user data, communications, or personalization settings. Third-party account information may be more up-to-date when obtained directly from the relevant website.
 - You should periodically confirm the accuracy of your account information through sources independent of us.
7. **Insights.** "Insights" is a tool in the Financial Tools available through the SNB Mobile App that provides personalized insights, including information about your spending, deposits, subscriptions, and upcoming recurring payments, in a social-media-style feed to help you monitor and manage your finances. To make Insights more useful to you, you may provide feedback in the tool about which types of Insights you would like to see more or less of. You can delete Insights from your feed at any time within the SNB Mobile App. Insight content is based on information from your Accounts and other accounts you aggregate using the Financial Tools. 9. **Termination.** Use of the Financial Tools to aggregate third-party accounts is completely voluntary and at your option. Removal of third-party aggregated accounts can be done by removing those accounts from the Financial Tools to stop aggregation services. Although you may remove accounts from the Financial Tools, you will remain enrolled in it as long as you have the SNB Mobile App. If you wish to discontinue the Financial Tools in SNB Online:
 - a. Send us a Secure Message through SNB Online; or
 - b. Contact us at (855) 614-4061.You agree that we must have a reasonable amount of time to act on your request. In addition, you agree that we may terminate or suspend your use of the Financial Tools at any time and for any reason or no reason, including your non-use of the Financial Tools.

Once removed, this information cannot be retrieved and will need to be newly set up. Further, you agree that we will not be liable to you or any third party for any termination of your access to the Financial Tools.
11. **Anonymized Data.** Anonymous, aggregate information, comprising financial account balances, other financial account data, or other available data that is collected through your use of the Financial Tools, may be used by us and our Service Providers to conduct certain analytical research, performance tracking and benchmarking. We or our Service Providers may publish summary or aggregate results relating to metrics comprised of research data, from time to time, and distribute or license such anonymous, aggregated research data for any purpose, including but not limited to, helping to improve products and services and assisting in troubleshooting and technical support. XVI. CARD CONTROLS

1. **Generally.** Card Controls is a service in the SNB Mobile App that allows users to perform certain actions related to their accounts, including viewing electronic statements, activating cards, changing the Personal Identification Number (PIN), changing certain cardholder profile information (statement mailing address, email address, phone number), and placing travel notices on the applicable account. The service is only available for

personal credit cards, small business non-roll-up credit cards, and debit card holders. Certain features, including viewing electronic statements and updating mailing address are not available to debit card holders.

2. **Limitations.** Using the service to modify cardholder profile information will only cause such information to be updated on the applicable credit card or debit card account; it will not affect customer information maintained for other accounts. You will also not be able to use the service to modify profile information associated with an account that is less than thirty (30) days old. For joint accounts, certain features, including electronic statements and card activation, may only be available on the primary account. In addition, certain features, including card activation and travel notices, are not available for accounts that are in a negative status and travel notices may be limited to a certain number of days. We may add or cancel features of the Manage Cards service from time to time and we are not obligated to notify you when we do so.

XVII. ALERTS/NOTIFICATIONS

1. **Generally.** We provide three types of "Alerts":
 - **"Security Alerts"** notify you when important changes are made online to your SNB Online account, such as changing your email or home address, telephone number, Online ID, or password. Security Alerts are sent to your SNB Online email address on file or via SMS text to your phone. Security Alerts by email are automatic. You can also opt in to Security Alerts by text.
 - **"System Alerts"** notify you of important account activities or when certain changes are made to the Services. For example, you will receive a System Alert if you add a new payee or schedule a payment or transfer. System Alerts are sent to your SNB Online email address on file. System Alerts are automatic and certain alerts cannot be turned off.
 - **"Customer-Defined Alerts"** allow you to request an alert when certain user-defined conditions are met. For example, you can request a Customer-Defined Alert Notification when your account balance exceeds a certain threshold. You must select and activate Customer Defined Alerts and you may turn them off at any time. You are responsible to input accurate information to set up the Customer-Defined Alert. Customer-Defined Alerts are not made in real time and are generally sent once per day. Customer-Defined Alerts do not replace standard communications you receive from us concerning your Accounts. We are not responsible for any losses, damages, or expenses that may occur if a Customer-Defined Alert is not set up properly or is not processed as a result of factors beyond our reasonable control. Customer-Defined Alerts can be delivered by email notification, text message, voice call, or push notification to your mobile device based on where you set up the alert. Certain types of Customer-Defined Alerts, including Customer-Defined Alerts that relate to aggregated third-party accounts, may only be set up in the SNB Mobile App or the Manage Your Finances tab in SNB Online and can only be delivered as push notifications to your mobile device.
2. **Methods of Delivery.** We may provide Alerts through one or more channels (collectively, "EndPoints"): (a) a mobile device, by text message or voice call; (b) a mobile device, by push notification; or (c) an email account, by an e-mail message. You agree to receive Alerts through these EndPoints, and it is your responsibility to ensure that each of your service providers for the EndPoints support the email, push notification, voice call, and text message Alerts provided through the Alerts service. You agree to provide us a valid and updated mobile phone number and/or email address so that we may send you Alerts. Different types of Alerts have different setup methods and available delivery channels as detailed in the chart below.

Type of Alert	Setup Method	Text Message	Push Notification	Email	Voice Call
Security Alerts	Automatic email, opt in for text alerts in "Alert Delivery Preferences"	X	X	X	X
System Alerts	Automatic	X	X	X	X
Customer-Defined Alerts	SNB Mobile App SMS, Push Notifications & Email Notifications under Settings and Alerts	X	X	X	X
Customer-Defined Alerts (Card Alerts)*	Manage Alerts button (for credit card accounts and checking accounts with debit cards; excludes corporate and small business roll-up credit cards*)	X	X	X	X

* Corporate card and small business roll-up accounts (Priority Destinations and Priority Rewards) may be automatically enrolled to receive a limited set of Card Alerts by email. These Card Alerts may be sent to email addresses on file for the corporate account manager and/or employee card holder. These Card Alerts cannot be set up or managed in SNB Mobile. To opt out of these Card Alerts, contact Bank Card Customer Service at (855) 614-4061.

3. **Text Messages.** The "SNB Transaction and Account Alerts" message program is operated by SNB and may send text alerts from short code number 50276 or 86434. From SNB Online or the SNB Mobile App, you can opt in to receive different types of accounts updates, purchase alerts and service alerts. Message frequency varies based on user settings and account activity. Message and data rates may apply. You may disable text alerts by turning them off in SNB Online or the SNB Mobile App, or by replying STOP to the applicable short code. If you have subscribed to multiple categories of text alerts and want to cancel all of them, you will need to opt out separately from each. If you cancel by texting STOP to a short code and you change your mind, please text START to start receiving text alerts again from that short code. You may also text HELP to the short code or call us at (855) 614-4061 for additional information. **Text alerts are not available for numbers outside the U.S.** Carriers are not liable for delayed or undelivered messages. Messages may be delayed or not delivered due to factors outside of their control. For more information, please see our Short Code Privacy Policy at <https://securitynational.bank/privacy-policy.html>.
4. **Limitations.** We may add or cancel Alerts from time to time. We usually notify you when we cancel Alerts, but we are not obligated to do so. We may also terminate this Alerts service at any time without prior notice to you. We provide Alerts as a convenience to you for information purposes only. An Alert does not constitute a bank record for the deposit or credit Account to which it pertains. We strive to provide Alerts in a timely manner with accurate information. However, you acknowledge that Alerts may not be sent in real time and your receipt of any applicable Alerts may be delayed or prevented by factor(s) affecting your mobile phone service provider, internet service provider(s) and other factors outside our control. Card Alerts will not be provided for debit card transactions that require the use of a PIN. We neither guarantee the delivery nor the accuracy of the contents of any Alert. You agree that we are not liable for any delays, failure to deliver, or misdirected delivery of any Alert, for any inaccurate or incomplete content in an Alert or for any actions taken or not by you or any third party as a result of an Alert.
5. **Alerts Not Encrypted.** As Alerts delivered via text, email and push notifications are not encrypted, we will never include your password or full account number. You acknowledge and agree that Alerts may not be encrypted and may include your name and some information about your accounts, and anyone with access to your Alerts will be able to view the contents of these messages.

XVIII. PREMIER BUSINESS REWARDS BUSINESS CREDIT CARDHOLDERS ONLY

1. **Generally; Limitations.** If you are a Business Customer with a Business Credit Card Account, you will not be able to obtain balance and transaction information for your Business Credit Card Account or to transfer money between your Business Credit Card Account and certain Accounts on SNB Online.

XIX. ENTITLEMENTS FOR BUSINESS CUSTOMERS

1. **Generally.** The Entitlements for Business Customers service ("Entitlements") allows businesses enrolled for SNB Online Business Banking to have multiple users with individual access to selected business Accounts. Authorized signers (each, a "Business User") for all the business's accounts also have the ability to create additional users for employees, an accountant, or others (each, a "Sub-user"). The Sub-user will log in with its own SNB Online credentials. For each Sub-user, the Business User must for each business Account, select one or more of the following access levels (defined below): No Access, View, Deposit and/or Withdraw (each, an "Account Access Level"). The default Account Access Level assigned to a Sub-user is No Access.
2. No Access. Hides the Account from the Sub-user's view.
3. View. Allows the Sub-user inquiry-only access to the selected Account; no money movement access is allowed
4. Deposit. Allows the Sub-user to make a mobile check deposit and transfer or receive a transfer into the Account.
5. Withdraw. Allows the Sub-user to initiate transfers or payments from the Account via Internal Transfer, External Transfer, and Online Bill Pay, if those features are enabled for the Sub-user. Providing access to these features allows the Sub-user access to those features without the ability for Business Users to see or review any payments or transactions.
6. Once an Account Access Level is selected, a Business User must confirm the Sub-user's accessible features (the "Feature Access Level"). The default Feature Access Level assigned to each Sub-user, including money movement, are enabled by default except for User Management Access. Business Users should not enable User Management access to prevent Sub-users from creating new users or modifying or deleting Business User or other Sub-user access. Descriptions of the features are available at <https://securitynational.bank/education-center.htm>. By providing access to these features, it is your responsibility as the Business User to add/remove access to all Accounts and features as appropriate.
7. Appointing a Sub-user within the Entitlements feature does not mean that such person has the same privileges or authorizations on the designated account(s) when banking by telephone or in-person.
8. Entitlements may not be available for certain accounts or customers, and we reserve the right to change, restrict, limit, deny, suspend, or revoke Access Levels and any other access to Entitlements services in our sole discretion.
9. **Sub-User Authorization.** We will consider the appointment of a Sub-user by one Business User of an Eligible Account as a Sub-user appointed by all other owners of that Eligible Account. By granting User Management or Withdraw access to a Sub-user, you permit that Sub-user to create new users or modify and delete Business Users or other Sub-users access or initiate funds transfers or other transactions on an Eligible Account through an SNB Online Service. You hereby authorize all transactions performed by a Sub-user on an Eligible Account.
10. **Sub-User Appointments.** For each Sub-user appointment, you acknowledge and agree that:
 - Each Sub-user will be acting as your agent and has read, understood, and will be bound by this Agreement, and any amendments thereto, and any separate Other SNB Agreements that govern the Eligible Account(s).
 - Each Sub-user will access, view, and transact on, as applicable, each Eligible Account, and use each Service in accordance with the Access Level granted to the Sub-user by you.
 - Each time the Sub-user accesses, views or transacts on, as applicable, an Eligible Account, you represent and warrant that you authorize the Sub-user's action.
 - If you allow a Sub-user to initiate funds transfers or other transactions, then you agree that for those transactions the Sub-user is an authorized signer on the Eligible Account, subject to the terms of the Other SNB Agreements for your applicable Eligible Account.
 - We may rely and act on the instructions of any Sub-user. All transactions performed by a Sub-user on an Eligible Account, including those that you personally did not want or intend, are transactions authorized by you.
 - If we get conflicting instructions, or if we believe that an Eligible Account's security or our security may be at risk as a result of a Sub-user, we may, at our sole discretion, remove, restrict, limit or suspend the Sub-user's access to Entitlements, an Eligible Account or an SNB Online Service.
 - You are responsible for monitoring the activity of your Sub-users, and the actions taken using your or your Sub-user's SNB Online credentials. You agree to review your list of Sub-users as frequently as necessary to ensure the list is current and the Access Levels are appropriate.
 - You are responsible for ensuring that each Sub-user maintains the confidentiality of the Sub-user's SNB Online credentials (user name, password and other security information), and complies with the password and Security Procedures in this Agreement.
11. **Your Responsibility.** You are solely responsible for managing access to your Eligible Accounts, including the Account and Feature Access Levels, and revoking access, of your Sub-users. We are not responsible for any losses you or others may incur if your Sub-user(s) exceed his or her authority or if you fail to review or revoke access granted to Sub-users. You agree to indemnify, defend, release and hold us harmless for any loss, injury or damage you or others incur as a result of: the actions or inactions of your Sub-user; your failure or delay in notifying us of any modification or revocation of any Sub-user authorization; and/or any losses or damages you may incur before we have a reasonable opportunity to act on your notice or instruction.
12. **Modifying or Revoking Sub-User Authorization.** If you revoke Access for a Sub-user, any pending and scheduled transactions initiated by the Sub-user will continue to process unless you contact us to cancel the transaction prior to processing, in accordance with our policies and procedures. We reserve the right to remove, suspend, or limit the access of a Sub-user from an Eligible Account at any time, and for any reason, without notice to you, any Eligible Account owner, or the Sub-user. If you tell us that a Sub-user is no longer authorized on your Eligible Account we will, after we have a reasonable opportunity to act on your notice, consider transactions performed by the Sub-user unauthorized, and we reserve the right, but not the obligation, to require verification from you and/or to deliver this notice to us in writing. If the Sub-user is designated as such on more than one of your Eligible Accounts, you must identify all of the Eligible Accounts affected.
13. **Our Termination of Sub-User Authority.** A Sub-user's authority on Eligible Account(s) will terminate:
 - after we have a reasonable opportunity to act on an Eligible Account owner or any authorized signer notifies us that the Sub-user's authority has been revoked.
 - An Eligible Account owner notifies us that the owner or an authorized signer who appointed the Sub-User is no longer an owner or authorized signer on the Eligible Account.
 - A formal written notice of the death or incapacity of the Eligible Account owner or authorized signer who was responsible for appointing the Sub-user (applicable to sole proprietor business accounts only).

- The Sub-user is no longer enrolled in the Entitlements Service as a Sub-User.

XX. FEES

- 1. Monthly Fees.** Once you have signed up for SNB Online, you will be charged a monthly fee in accordance with our published fee schedule, whether or not you use SNB Online during the month unless, before the beginning of the month, you cancel your enrollment. If joint accountholders enroll separately in SNB Online, each will be considered as a separate SNB Online user and each will be assessed the applicable monthly fee. Monthly fees, if any, are generally payable in advance and will be deducted from your designated checking Account at the beginning of the month. Should your designated checking Account be overdrawn or have insufficient funds to cover a monthly fee, we still charge your checking Account for the fee and a special handling charge, or we may deduct it from any other Deposit Account. Fee waivers are applied on the first of the month.
- 2. Personal Checking Customers.*** The fee schedule for personal-checking customers was provided at account opening and may be requested by contacting SNB by telephone us at (855) 614-4061, or write us at SNB, P.O. Box 31400 Omaha, NE 68131.
- 3. - 4. Other SNB Fees Apply.** Fees for using SNB Online are in addition to the standard charges for your Accounts that apply without regard to SNB Online service. All of these charges are separately disclosed to you in the agreements that apply to such Accounts.
- 5. Other Third-Party Fees.** You are responsible to pay for any other charges you may incur in connection with your use of SNB Online, such as long-distance charges, text messaging charges, or Internet service provider fees.

XXI. NOTICES TO US; ERROR RESOLUTION PROCEDURES FOR CONSUMER ACCOUNTS

- 1. In Case of Errors or Questions About Your Electronic Transfers.** Telephone us at (855) 614-4061. Or write us at SNB, P.O. Box 31400 Omaha, NE 68131. Contact us as soon as you can if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than sixty (60) days after we sent you the FIRST statement on which the problem or error appeared. When you contact us:
 - Tell us your name and account number;
 - Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information; and
 - Tell us the dollar amount of the suspected error.
 - If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) Business Days.
- We will determine whether an error occurred within ten (10) Business Days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) or ninety (90) days to investigate your complaint or question. If we decide to do this, we will provisionally credit your account within ten (10) Business Days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) Business Days, we may not provisionally credit your account. For errors involving new accounts, we may take up to ninety (90) days to investigate your complaint or question and up to twenty (20) Business Days to provisionally credit your account.
- We will tell you the results within three (3) Business Days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of documents that we used in our investigation.
- 4. Your Liability for Unauthorized Transfers.** You must tell us IMMEDIATELY at the phone number or address listed in preceding section if you believe that your username, password, PIN or other personally identifiable information has been lost, stolen, compromised, or may have been discovered by a third party, or someone has transferred or may transfer money from your Account without your permission, or any of your Accounts have been improperly accessed. Telephoning us immediately is the best way to keep your possible losses down. You could lose all the money in your Accounts (plus the credit available under your line of credit). If you tell us within two (2) Business Days after you learn of the loss, theft, compromise, or discovery by a third party of your username or password, or the discovery of unauthorized use, you can lose no more than \$50 if someone used your username and password without your permission.
- If you do NOT tell us within two (2) Business Days after you learn of the loss, theft, compromise or discovery of your username or password by a third party and we can prove we could have stopped someone from using your username and password without your permission if you had told us, you could lose as much as \$500.
- Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement on which the problem or error appeared was sent to you, you may not get back any money you lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.
- 7. Our Liability for Failure to Complete Transactions.** If we do not complete an SNB Online transfer, or Bill Payment (collectively in this Section referred to as a "Transfer") to or from your Deposit Account on time or in the correct amount according to our agreements with you, we will be liable for your direct losses or damages. However, there are some exceptions. We will not be liable, for instance:
 - If, through no fault of ours, you do not have enough money in your Deposit Account to make the Transfer.
 - If any portion of the system used to access or use SNB Online was not working properly and you knew about the breakdown when you started the Transfer.
 - If circumstances beyond our control (such as strikes, riots, fire, flood, hurricane, power failure, equipment failure, government action, computer viruses, computer hackers, etc.) prevent the Transfer, despite reasonable precautions we have taken.
 - If you violate any law or regulation in connection with your use of SNB Online, including without limitation the sanctions laws administered by the U.S. Office of Foreign Asset Control.
 - If you did not properly follow the terms of this Agreement or online instructions on how to make the Transfer.
 - If you did not give us complete, correct, and current instructions regarding the Transfer.
 - If you did not authorize a payment soon enough for the payment to be made, transmitted, received, and credited by the payee on or before the due date.
 - If there are postal delays or processing delays by the Payee.
 - If your Computer Equipment malfunctioned for any reason.
 - If your Computer Equipment is unsuitable or incompatible for any Service, regardless of the cause of the error or failure.
 - If the Transfer could not be completed because the SNB Online system was unavailable, as discussed in Article XXIII, Section 1 (System Unavailability).

- If we or you terminate this Agreement before a Transfer is scheduled to occur.
- In addition to the above, there may be other exceptions stated in our agreements with you.
 - Consumer Users and Accounts Only.** The error resolution and liability terms in this Section apply solely to consumers making electronic transfers and do not apply to Investment Accounts, Trust Accounts, Insurance Policies, or Business Customers. Subject to applicable law, **if you are a Business Customer or if an Investment Account, Trust Account, or Insurance Policy is involved, you assume the entire risk for fraudulent, unauthorized, or otherwise improper use of SNB Online and/or your credentials.**
 - Notices to Us.** Unless we expressly state otherwise in this Agreement, any written notices to us concerning SNB Online must be sent by postal mail to the address shown in Article XXI, Section 1 (In Case of Errors or Questions About Your Electronic Transfers). You can also reach us at the telephone number above or by messages as described below for questions and other purposes concerning SNB Online, but such calls or messages will not constitute legal notices under this Agreement. Notice from any one of you will be effective for all of you. Your notices will be effective when we have had an opportunity to act upon the notice after it is received by us except as to situations in which this Agreement provides or contemplates an earlier effectiveness.

- Use Messages Only For Non-Urgent Communications.** SNB Online allows you to send us secure "Messages." We will not monitor our Message system continuously and your Messages to us may not be read for several hours or until the following Business Day. Therefore, you should not rely on Messages and if you need our immediate attention, call us at (855) 614-4061. For example, if you need to stop payment on a paper check, to report a lost or stolen card, or to report an unauthorized transaction from one of your Accounts, you should call us to ensure prompt action on your request. 2. **Effect of Closing Accounts.** If you cease to have any Accounts with us, we reserve the right to terminate your SNB Online enrollment without notice.
